Along the streets of China Town, Kampong Glam and Little India, religious monuments nestle amidst quaint shop houses. Contrasting with the modern shopping malls, such as the Suntec City, there are serene gardens and sleek skyscrapers. The statue of Singapore's founder, Sir Stamford Raffles proudly stands in front of the Victoria Theatre. We visit the Singapore Botanic Gardens and National Orchid Garden. Lunch at a local restaurant. After lunch, we hop on one of the bumboats for a cruise along the Singapore River. Dinner at a local restaurant.

Day 3 Wednesday 23 December 2026**[B/D]****Breakfast at the Zoo / Gardens by the Bay**

Meet our local guide in the hotel lobby and depart by coach for breakfast at the zoo! Start your day well with this iconic dining experience designed to inspire a love for wildlife and delight your senses! Savor a hearty meal of local and international flavours in the charming rainforest zoo and meet the wildlife ambassadors and their keepers, who will fill your minds (and hearts) with stories about the animal kingdom, habitats and nature. Enjoy a scrumptious planet-friendly breakfast spread that is thoughtfully prepared by the zoo chefs. There will be unique photo opportunities with time to explore the zoo. Some free time in the middle of the day and lunch is own arrangements. This afternoon we will visit Gardens by the Bay. Celebrate the festive season at the world-renowned Gardens by the Bay, transformed into a spectacular Christmas wonderland of lights, colour and seasonal magic. Each year, the gardens host the iconic Christmas Wonderland, featuring dazzling light sculptures, immersive festive installations and a vibrant Christmas market atmosphere. Wander through glowing pathways beneath the Supertrees, enjoy snow-fall style displays in the tropics and take in the beautifully themed garden zones brought to life with music and lights. Tonight dinner will be at a local restaurant near Gardens by the Bay. Following dinner visit the Supertree Grove, where you can see the world from a different perspective on the OBC Skywalk. As night falls, you will be treated to the amazing sound and light show throughout the Supertree Grove - this is one of the highlights of any visit to Singapore. At Christmas, the iconic Supertree Grove inside Gardens by the Bay transforms into one of Singapore's most magical festive experiences.
